DANILO A. OCHOA HIDALGO
(Tiber)

PHILOSOPHY

I enjoy being involved in creative, innovative, and disruptive tech that changes people's lives. I like to pursue quality in what I do because that's the only way things work, but I also pursue an aesthetic sense, characteristic of good art, trying to find the right balance.

ABILITIES

- ➤ English (Advanced)

- ➤ Programming
  - o Multiple paradigms
  - o Main Languages (Web technologies, Python)
  - o Interests (Mobile & Web Apps)

- ➤ Office Automation
